

## DISCLOSURE NOTES

---

This presentation contains forward-looking statements within the meaning of the United States federal securities laws. All statements contained herein that are not statements of historical fact are forward-looking statements, including, without limitation, statements that address events or developments that we intend or believe will or may occur in the future. Forward-looking statements are not guarantees of future performance and actual results may differ materially from those discussed here. You should not place undue reliance on any such forward-looking statements.

The information in this document is believed to be correct at the time of compilation, but no warranty of accuracy or reliability is given and no responsibility arising in any other way for errors and omissions (including responsibility to any person by reason of negligence) is accepted by ARS its officers, employees, or agents. ARS does not undertake any obligation to update the information contained herein in light of later circumstances or events. This document contains general information only and is not intended to be relied upon as a forecast, research, investment advice, or a recommendation, offer, or solicitation to buy or sell any securities or to adopt any investment strategy. Nothing in this presentation constitutes financial, legal, or tax advice.
